Prices are per lesion.

Your surgeon may require you to undergoing ultrasound imaging of your lesion prior to removal, and this will be advised at your consultation if necessary.

* It is a requirement that all moles are sent for histology. The price for histology of moles will be added to the price of your surgery.

With other lesions, if there is any concern about the appearance of the lesion during the procedure, your surgeon will recommend that this is sent for histology (cell sampling), and this additional charge will be added to the cost of your treatment

** We can also offer Cryotherapy for these lesions

Important Information Regarding VAT

The prices listed above under do not include VAT.
Under UK tax regulations, medical treatments are exempt from VAT, while aesthetic and cosmetic procedures are standard-rated. If your lesion removal is performed purely for cosmetic or aesthetic reasons, 20% VAT will be added to the price of the "Surgery" section of your treatment. If the removal is medically indicated to protect or restore your health, the procedure is VAT-exempt.
Your clinical assessment will determine which category applies to your treatment.
